About Antony's Books

Antony has published a total of seven books.

Two are works of fiction: Z-Virus Powers & Z-Virus Monsters.

In Z-Virus Powers, a group of young people with supernatural powers search for the cure during a zombie apocalypse.

In Z-Virus Monsters, the group continue their search for a cure, while the Z-Virus starts to affect plants and animals. Both books are part of the [Z-Virus Series](#) (a planned trilogy).

Antony has published five non-fiction books. Mental Health Wisdom covers everything you need to know about mental health and mental illness.

SpellCast (co-authored with Luna Hare) is a comprehensive compendium of spells, oils, charms and talismans.

The Alcohol Therapy Workbook is designed for anyone that is struggling with alcohol or has struggled with alcohol in the past.

My Royal Navy Friend contains 52 emails sent to a friend named Roy who enlisted in the Royal Navy; these emails are funny and interesting. Some include topics like How to Fight A Shark, Do Aliens Exist? and How to Woo A Turtle.

Ways The Human Body Can Go Wrong covers every system of the body, what can go wrong when the body malfunctions or fails, symptoms (including why these happen) and cures/treatments available.
